This is a meeting the scheduling office had to decline, and since it falls under your purview, it comes to you. I think you'll be okay to schedule a call for this one. Do you want to contact Ms. Woodard directly, or would you like me to reply to her email and copy you?

Eliza

Hi Ms. Woodard,

Thank you for requesting a meeting with Governor Cooper regarding the Atlantic Coast Pipeline in NC. Unfortunately, he is unable to meet but I am sending this to staff members who may be able to discuss this topic with you.

Description of Event/Message:

I would like to request a meeting with the Governor to discuss the issue of the Atlantic Coast Pipeline that is currently scheduled to be installed in NC and neighboring states. I have fully educated myself on the current state of affairs concerning the pipeline, and as a Sustainable Development Student at Appalachian State University, I am also educated on the multi faceted impacts of such a pipeline, which concern not only the environment, but also the economy, the promise of our states progress, and our reputation nationally.

As such, I have many concerns to voice as a resident of this state that can only be sufficiently addressed by our Governor.

If this date is unavailable, I will gladly accept any earlier date. Thank You for your time, Cyna A. Woodard
